DATED 06.04.2017

To
The Chief General Manager Telecom
BSNL, M P Circle, Bhopal.

Sub : Resentment against non-settlement of demands.

Res Sir,

In response to our letter No BSNLEU/ MP CIRCLE/ AGITATION/2 Dated 28.02.2017 we are in receipt of letter no SR-67/ Union/Reco./Main/ BSNLEU/ Ch-II/2016-14/48 dated 15.03.2017 wherein action taken on the issues raised by us is explained. In this regard it is intimated that barring Sagar issue , the action taken by management is not satisfactory and deserve to be reviewed. Our reaction /compliance to your letter is as below.

CLEANLINESS AND AMENITIES

Cleanliness issue is a matter of big concern. Barring a few SSA no improvement is seen. Lack of basic amenities is another big problem. No respite despite your serious instructions.

NETWORK

Situation is improved, but in remote areas additional efforts are needed for better results. For example Pachmarhi is a big tourist place. Our leaders have reported very poor network condition at Pachmarhi. .

RULE 8 TRANSFER

An immediate action, as committed, for issuing transfer list of aspirants from various SSAs in different non-executive cadre is demanded. Reply given is not satisfactory. Not a single transfer will be implemented if Criterion set by Circle for transfer of Non-Executives is applied.

A big no of Non Executives are waiting for their turn to get transferred. Any delay in this regard will be a cause of of agony and big resentment.

SATNA PROBLEMS

Reply given vide letter No SR-67/Union/Recog./Main/ BSNLEU/Ch-II/ 2016-17/50 dated 17.3.2017 is far from satisfaction. No concrete action is taken and as expected, only “**HUME DEKHNA HAI, HUM DEKHENGE** “ type reply is given by TDM Satna.

JABALPUR PROBLEMS

It has been reported that action will be taken after March 2017. March is over , now quick action is expected on all the issues. Further, Our Jabalpur Ds should be immediately exonerated as he is implicated to settle the score by the officers of Jabalpur against whom our Union has raised the voice against their wrong deeds.

EPF DEPOSIT: Case of Shri Manoj Sharma, Ujjain

As reported , Circle Management is ready for deposit of EPF share of Company and the Employee. But again an unconditional consent is invited from Shri Manoj Sharma and the case is being delayed. He has already given his consent. Dilly Dallying in this case is annoying. This is sheer harassment Sir.

We demand a probe to fix the responsibility for delay in deposit and also for the migration of Shri Manoj Sharma from GPF regime to EPF Regime after a long gap.

SAGAR ISSUE

Thanks for your timely intervention to resolve the tangle.

Sir, as intimated earlier, as per our our Circle Union Secretariat decision, the issues cited above were discussed at length in our CEC on 19.03.2017 at Satna and the future course of Trade Union Action was also decided if the long pending issues are not resolved soon. As per decision, We will go ahead with Agitational Program which was deferred earlier on assurances given by the management. Revised dates will be intimated after discussing in our Circle secretariat Meeting.

With kind regards,

Yours Fraternally,

(Prakash Sharma)
Circle Secretary
