Sub : **Electrocution of a Contract Worker at Ujjain.**

**Res Sir,**

I have been informed about a tragic incidence happened at Ujjain wherein a contract worker lost his life. As reported by our DS Com Manoj Sharma, one contract worker named Shri Dhanpal Yadav was electrocuted in electric section located at Bharpuri, Ujjain on 8.5.2017. He was hospitalized but succumbed to his burn injuries on 12.5.2017. Our DS's prima facie enquiry reveals that no labor laws were followed by the contractor and EPF etc was also not deposited in case of the deceased worker. We demand immediate & impartial investigations in the case and if our DS's prelim investigations found true, stern action for violation of labor laws and EPF Act be taken against all those who are involved in violation. Loss of life of a contract worker should not be taken in a light manner. Further, all the financial assistance be provided to the family of Late Shri Dhanpal Yadav. We also demand to bring all those who are responsible, under scanner while investigating the case.

**An immediate action is urged to avoid delay in justice.**

**With kind regards,**

Yours Fraternaly,

**(Prakash Sharma)**  
Circle Secretary
