**Sub :** Regarding delay in mutual transfer, relieving & fresh Rule 8 transfers...

**Res Sir,**

I would like to invite your kind attention towards inordinate delay in mutual transfer, fresh transfers and relieving cases in JE cadre.

Mr Kapil Swarnkar, JE, Dhar and Mr Harish Vishwakarma, JE, Chhatarpur have applied for mutual transfer. Their application is not being processed by circle management. I have been informed that delay in issue of transfer orders is due to policy framed by circle management according to which no JE is to be posted at the workplace nearer to his/her home town. This is totally illogical and perhaps there is no such guideline from corporate office too.

Mr Kapil Swarnkar's mother is indisposed since long time and needs regular treatment and someone to look after her health. Similarly Mr Vishwakarma's family is established at Indore. As such considering the request of mutual transfer will encourage both applicant to work with more enthusiasm.

Similarly, the officials whose transfer orders have been issued are not being relieved by SSAs. Further, very a few Rule 8 transfer orders are pending which may also be expedited. Mr Rahul Sharma, JE, Morena is waiting for his transfer to Indore as his wife is working there.

Kindly consider the requests on humanitarian ground.

**With kind Regards,**

Yours Sincerely,

**(Prakash Sharma)**  
Circle Secretary
