DATED 02.11.2018

To
The Chief General Manager Telecom
BSNL, M P Circle, Bhopal.

Sub : Regarding delay in information from SSAs for restoration of cashless medical facility.

Res Sir,

You can well imagine the anguish of the employees who are admitted in the hospital for their treatment and coping with financial hardships.

Kindly peruse our detailed letter of even no dated .7.2018 on the matter under subject. In absence of the withdrawal of the cashless medical facility, the problems being faced by the officials who need hospitalization for their treatment was discussed at length in the meeting held with you and on realizing the necessity of the continuance of cashless facility you were convinced enough to continue the facility in 2, 3 or 4 hospitals according to geographical position of various SSAs. Accordingly all the SSA Heads were issued a letter and invited the names of hospitals duly recommended by them. It is learnt that many SSAs are reluctant in this regard and very a few SSAs have sent the required information to the circle without bothering about the gravity of the plight of employees.. On the other side, the ailing officials are forced to arrange money on their own through borrowings or to stop their treatment without getting cured. Thus, in absence of proper treatment, for want of required fund, they are left with no option but to leave their fate on the mercy of the destiny.

We urge upon you to ask SSA Heads to expedite the required information to restore the cashless medical facility in the circle immediately to minimize the miseries of the employees realizing their woes and throes. In the meanwhile Kindly Issue the orders for cashless facility in r/o the SSAs wherefrom the information is received

With kind Regards,

Yours Sincerely,

(Prakash Sharma)
Circle Secretary
