Sub : Posting of regular SSA Head at Gwalior

Res Sir,

As you are aware, the regular GMTD posted at Gwalior is on leave since first week of November 2018 and Gwalior SSA is working sans SSA Head. As reported, the charge of regular incumbent is given to GM, Zonal who is perhaps already overloaded being head of 4 SSAs under him. In absence of regular GM, the plethora of issues related to employees in general and developmental activities in particular have gone into oblivion. Here, we don't want to question the capabilities of handling the job by the existing GM who is looking after the affairs in Gwalior, but no one is born with limitless capacity. Owing to this, the smooth functioning in Gwalior division is adversely affected, staff is facing lot of problems as the files are piling up in Gwalior GMT and the activities have come to standstill and almost halted.

It is felt that the regular GMT posted at Gwalior is unwilling to continue his assignment. The information gathered in this regard are indicative of no sign of his joining in near future. As such, fate of Gwalior employees and BSNL Gwalior should not be allowed to remain in state of pendulum & posting of someone, who is willing to work on regular basis as GMTD Gwalior, is inevitable.

Hope, the authorities at the helm of affairs in BSNL, MP circle will ponder over the issue seriously and Gwalior will be obliged with the posting of new regular GMTD.

With kind Regards,

Yours Sincerely,

Sd/-
