**Sub.: Delay in disbursement of salary for April 2019 to TSMs.**

**Res Sir,**

BSNLEU has been informed that salary for the month of April 2019 in r/o TSMs has not been disbursed till date. Almost half of the month is over and the TSMs are still waiting for their salaries. Why the authorities are not serious towards such issues, Sir ? Management should be sensitive enough to imagine the plight of the low paid employees. When we write about delay in payment of wages to contract workers, management, instead of resolving the issue, blatantly reply that union should refrain away from raising the issues of contract workers. But what about TSM ? It is learnt that, every month the TSMs are forced to run from pillar to post for their salaries as salary payment to them is being delayed in every month.

It is demanded to immediately release the salary of TSMs for the month of April 2019 and to kindly intervene to find a permanent solution for the payment of salary to TSMs along with other regular employees. Hope, you will do the needful at the earliest.

**With kind regards,**

Yours Sincerely,

**(Prakash Sharma)**
